

Crew Juniors Worthington and Crew Juniors West

Supplemental Tryout Information

Expectations

Supplemental tryouts are to place players in open spots with existing teams and in some cases new teams will be formed for the spring season. Players that cannot be placed on a team at this time are encouraged to return for our main 2012-2013 tryouts starting in May.

During the spring season, U7-U9 players should expect 3 days of soccer every week and players U10 to U18 should expect 3 to 4 days of soccer every week. U7 and U8 teams will play eight game seasons and participate in the Club Crew Juniors Friendlies Event and 1 tournament each season. U9 and older teams will participate in league play, the Club Crew Juniors Spring Friendlies Event, and 2 Tournaments (typically 1 local and 1 out of town). Most teams will practice and play home games at one or more facilities in and around the Worthington area.

Families will be responsible for travel expenses, including but not limited to gas, food and lodging. Your team administrator will coordinate hotel options for the team. Some teams may add additional programming at an additional cost.

Team Offer Process

Most players will be contacted within a few days of the tryout to be informed about potential team placement. Detailed instructions on how to accept/decline an offer will be provided at the time of the offer.
