

Crew Juniors Worthington and Crew Juniors West

Expectations

During the season, you should expect 3 to 4 soccer days of soccer every week (3 for U7-U8). Each U9 to U14 team is expected to participate in league play, plus five to six additional events per year. These events may include tournaments, festivals, friendlies, State Cup or supplemental league play. Some teams may add additional programming at additional cost, which may be included at the time of the offer. U7 and U8 teams will play eight game seasons and participate in two to three additional events per year. The majority of our teams practice in and around the Worthington area. Tournament selection, for all age groups, is determined by your coach and CJW Director of Coaching. You will be responsible for your own travel fees, including but not limited to gas, food and lodging. Your team administrator will coordinate hotel options for the team. Some teams may choose to do an additional tournament, for an additional fee.

Detailed instructions on how to accept/decline an offer will be provided at the time of the offer.
