Professionally Assisted Teams

(Parent Coached Ages 7 – 19)

The Professionally Assisted Teams program is for players who are ready to move from recreational play to a higher level of play such as the Ohio Champions League (OCL) or Mid Ohio Select Soccer League (MOSSL). These parent-coached teams will become part of one of the most comprehensive player development systems in the country by way of our coaching education program and options for regular team training with our professional staff.

Program Options:

- Individual Open Player Registration- Players may sign up individually to be placed on an existing team or to be added to a newly formed team that will play in the Ohio Champions League (OCL).
- Team Registration for OCL- Players from established teams may register with our program as a team to play in the Ohio Champions League.
 - If a coach has his/her own facilities, adjustment to the fees can be discussed with the Director or Coaching
- Team Registration for MOSSL- Established teams wishing to move to the Mid Ohio Select Soccer League may contact the Director of Coaching to discuss details for this program
